ⓘ
*   As a part of Managed Hosting
**   Advanced SEO involves a 50-point page ranking optimization strategy. Advanced SEO is *not* SEO Agency, which is monthly SEO facilitation.
***   Any premium licenses or software included as part of Managed Hosting can not be included in website hand-off due to copyright and intellectual property laws. A best free alternative will be provided in its place.
**** Managed Hosting includes: SSL certification, daily backup and storage, uptime and security monitoring, premium loading speeds, source code protection, inspection bot firewall, and free website migration.

C'est Bon

BEST OPTION FOR THOSE

Interested In:
- generating credibility, not sales
- email collection without marketing campaigns
- easily identifiable contact information

Not Interested In:
- routine modifications
- ROI data
- sales conversion
- email campaigns

Brochure websites are typically constructed of: a landing page, description of services page, about page, contact page, pricing page, and/or item catalog / portfolio page.
